Following the success of the 2008 Workshop, the 2010 **ABA Women Rainmakers Mid-Career Workshop** provides three days of **multifaceted** programs to enhance the performance of the mid-career lawyer.

- ❖ Hear from **genuine** women in the legal profession
- ❖ Find a **link** with professionals at similar career levels
- ❖ Realize the **brilliance** of your career

Like a gemstone, legal careers are developed under extreme pressure, but with effort and some polish, a successful rainmaker can be made. Visit us online at www.womenrainmakers.org for updates on the 2010 program and faculty. **Save the date now.**
